Buongiorno! If nothing else, let's learn how to Love. Love is not something that is felt only between two people. It is a positive force and emotion that we put out to make the world a better place collectively. ❤️

Today marks the beginning of the last 3 days before Easter for Catholics. During this supper, Jesus gave us one new commandment:

"I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another." John 13:34

The last leg of our 🇮🇹 trip did not disappoint:

- ✅ Sicilia (Taormina & San Vito Lo Capo)
- ✅ Sardegna (Porto Cervo)

Don't ask me, which one was my favorite because my answer would be the following: Can you love one of your children more than the others? No.

👉 Each region is unique providing so many reasons to explore it and fall in love with it ❤️
